

Need a little help feeding your kids when school is out for the summer?

Learn how Ohio's Summer EBT/SUN Bucks program can help you!

Summer EBT/SUN Bucks is a program in Ohio to help families buy food for their school-aged children during the summer. Families will get \$120 for each eligible child to buy groceries during the summer. Children who get Summer EBT/SUN Bucks can still participate in other summer meal programs.

How does it work?

Ohio's Summer EBT/SUN Bucks benefits will be loaded onto a NEW card (see below) and mailed to your home; or added to a household's existing Ohio Direction Card. If eligible, you can use Ohio Summer EBT/SUN Bucks benefits to buy food like fruits, vegetables, meat, whole grains, and dairy at grocery stores, farmers markets, and other places that accept SNAP EBT benefits.

Is my child eligible?

Your child is eligible for Ohio Summer EBT/SUN Bucks if:

- Your household already participates in SNAP
 - Your child's benefits will be automatically added to their Ohio Direction card and **do NOT need to apply**. If you participated last year in SEBT, your benefits will be reloaded on that same card, and you don't need a new one.
- Your child attends a school that offers the National School Lunch Program (NSLP) or School Breakfast Program (SBP), and your student has a free or reduced-price lunch application filed.
- Your child participates in Medicaid or OWF and your household income is at or below 185% of the FPL, they'll be automatically enrolled but will receive a new card in the mail.
