

School aged kids!

Need help buying food this summer?
S-EBT/SUN Bucks funds are coming!

\$120 for food is coming to families with kids who receive SNAP, Medicaid, free or reduced-price school meals or meet other eligibility requirements.

The public charge rule does NOT apply to S-EBT/SUN Bucks benefits.

Watch your mail for a S-EBT/SUN Bucks card or look for the funds to be added to the Ohio Direction Card you already have.

Families will receive one card per eligible child and may receive the benefits on different days.

S-EBT/SUN Bucks funds can be spent at stores, shops, or farmers markets that sell groceries. You can buy foods like fruits and vegetables, dry goods, meat, dairy, and eggs. S-EBT/SUN Bucks funds are NOT SNAP and do NOT impact your or your children's immigration status.

If you think you should receive S-EBT/SUN Bucks but you don't, please call 1-866-244-0071 or find the application and FAQ's at sebt.ohio.gov. Translators will be available to answer your questions.
