

Attention Retailers:

Look out for a new way to pay!

Towards the end of June, our store will accept Summer Electronic Benefit Transfer cards, or SUN Bucks cards. These are part of a new program to help families with students in grades K-12 afford food during the summer when school is out.

THINGS TO KNOW:

1. S-EBT/SUN Bucks cards look different than the Ohio Direction Card, but are used in the same way.
2. S-EBT/SUN Bucks cards can be used to buy the same food items that can be bought with a SNAP EBT card.
3. S-EBT/SUN Bucks cards are issued to each eligible child in the home. Families may use multiple cards in one visit.
4. S-EBT/SUN Bucks cards are in the name of the child. Just as with a SNAP EBT card, retailers should not inspect the card. All household members and additional authorized persons are allowed to use the card.
5. Customers paying with S-EBT/SUN Bucks must create a PIN for their card. They should follow the instructions that came with the card to create a four-digit PIN.
6. Are customers having difficulty using their S-EBT/SUN Bucks card? Tell them to call the number on the back of their card for help or to check their balance.
